#PandemicBibleSTUDIES™ MOTTO --

PREPARE EACH LESSON, WITH ETERNITY IN VIEW !

God is without beginning or end. God knows our beginnings to our ends. God is everywhere, all of the time. And yes, **God knows what you did last summer !** Not only that, God already knows what you will do when next summer arrives, if Jesus tarries. God's expansive traits are far beyond our abilities to comprehend. The Bible passages in this study highlight only a few of God's names and attributes. As you continue to study the Bible, be vigilant to uncover many, many more.

Part 1's focus is on Psalm 139:1-18. Read it aloud slowly, at least 10 times during the course of the month. Identify many of the character traits of God that distinguish Him from idols. During the second month, study the other passages as God opens your understanding to His unique qualities.

While completing Part 1 and 2 of this Bible study, it is beneficial to meditate on musical adorations such as the selections shown below. Praise God that He is so loving and merciful that He chose to offer us sinful creatures salvation through the death and resurrection of His Son, Jesus the Christ !

"For what is a man profited, if he shall gain the whole world, and lose his own soul ? or what shall a man give in exchange for his soul ?"
